Welcome to PFS Sales

At **PFS Sales**, we take pride in providing the highest level of service and value to our customers. This philosophy has helped us grow into an industry leader, distributing a wide range of disposable paper and plastic products from numerous top manufacturers to restaurants and other businesses throughout major portions of the Carolinas.

As our many satisfied customers have come to know, **PFS Sales** offers products and services you can depend on as well as a convenient, cost-effective partnership that will help your business succeed.

We hope you enjoy learning more about **PFS Sales** on the following pages. The participation of our valued suppliers enhances the picture of who we are and we thank them for their support in the development of this project.

If you have any questions or would like to learn more about what **PFS Sales** has to offer, please call us or visit our website at www.pfssales.com.

Sincerely,

Thad Ellington President/Owner

“Delivering the Best to You”

PFS Sales is a leading independent distributor of paper and plastic products, food service disposables, bar supplies, catering supplies and janitorial supplies. Based in Raleigh North Carolina, we serve the restaurant industry as well as universities, nursing homes and a variety of other businesses throughout our state and surrounding areas. Independent restaurants make up a large portion of our customer base. Family owned, **PFS Sales** was founded in 1988, and since then we have prospered and grown by helping our customers achieve success.

Our customers tell us they like doing business with us and they tend to stay with us for many years. Here are a few of the reasons why:

- Outstanding Fill Rates—Hovering at 99.70% in recent years
- Close personal attention
- Incomparable service
- A broad selection of consistently high quality products
- Our commitment to serve all customers with fairness and integrity. We would rather shortchange ourselves than risk hurting a customer!

We have been helping our customers become more profitable for over 25 years. We welcome the opportunity to do the same for you.

A Multitude of Product Lines

PFS Sales offers a wide selection of product lines with more than 3,000 items in stock for fast delivery. Choose from name or “house” brands in a variety of styles and colors. “Green” products are well represented. We get our products from top manufacturers, assuring you of dependable quality and value with every order. Our own trucks bring your order to you when and where you want it. You will get exactly the products you order every time, with no substitutions. Product consistency you can rely on is a hallmark of **PFS** service.

Diamond Crystal® Glacier Melt® Ice Melter

Blended for speed and safety

Glacier Melt® ice melter contains a specially formulated blend of Magnesium and Sodium Chlorides for quick-start action.

- Works down to -10°F/-23°C
- More cost-effective than straight magnesium and calcium chlorides and melts at lower temperatures than sodium chloride (rock salt).
- Available in 50 lb. bags

Directions for Use:

Remove slush and as much loose snow as possible before ice melter application. Spread Glacier Melt® ice melter evenly across surface area. Apply ½–1½ cups per square yard, depending on ice thickness and air temperature, as needed. Reapply as necessary. When ice and snow soften, remove slush and any excess ice melter from pavement for good concrete maintenance.

Storage information:

- Diamond Crystal® Glacier Melt® ice melter contains magnesium chloride, which is hygroscopic, thus easily pulls moisture from the air.
- Close and reseal container tightly to keep product dry, or place in a moisture-proof container
- Store in a dry place
- Always store ice melters out of reach of children and pets

Introducing....

Biodegradable Coated Corrugated Kraft Catering / Deli Trays

Constructed of 100% recycled 3-ply biodegradable corrugated paperboard for superior strength and durability, these catering trays are an economic, sustainable alternative to plastic and aluminum trays. It is certified as fully recyclable.

A biodegradable release coating provides a cut, leak, and grease/moisture resistant surface to stand up to a variety of tasks. A circular, raised center enhances the display of food and provides a great location to showcase dips and sauces. The tray's earthy, kraft finish communicates eco-conscious service and offers a distinctive backdrop for hors d'oeuvres, appetizers, and finger sandwiches.

Freezer safe to -40 degrees Fahrenheit. Made in America. Available in 12", 16", and 18" sizes. Lids also available.

It Sinks!

With No Break-in... Period.

Once again, ETC has engineered an innovative, time-saving product for the janitorial industry. The time-saving, Torpedo™ wet mop, requires no break-in period before using it to mop. While other mops will actually float on liquids when you take them out of the plastic packaging, ETC's Torpedo™ wet mop will absorb the liquids immediately. No other wet mop can save you the aggravation of trying to pick up liquids on a wet floor like ETC's Torpedo™. You have to try it to believe it.

- No Break-in Period
- Quickly Absorbs Liquids
- It's Launderable
- Minimal Shrinkage When Laundered
- Less Expensive Than Pre-laundered
- 5 Colors Allow for Specific Usage

Impact Products

Disposable Urinal and Commode Mats

"Perception is everything"... this couldn't be more true when it comes to cleaning and odor control. If the restroom doesn't smell clean, the customer won't perceive it as clean, and that can affect business right down to the bottom line. Impact is your "systems approach" to odor control, offering several products to combat odor problems.

Impregnated with Neutra Tech, a neutralizing agent, and a crisp apple fragrance, Impact's 1525 & 1550 disposable matting prevents cross contamination to other areas of the restroom. The special non-slip bottom is available in two styles to accommodate both the toilet and the urinal.

- New improved backing grips floor better to prevent sliding, eliminating need for tape or Velcro®
- Contains Fungicide (Busan 11-M1) to fight germs
- Z-Mat urinal mat with updated design allows for better absorption and compliments new Z-Series of odor control
- Protects floors from stains and uric acid damage
- Makes restroom maintenance easier
- Lasts 4 to 6 weeks, dependent on usage

Premium Roll Towel Dispensers

Hands-Free up to 10" Extra Wide
Roll Towel Dispenser

Wider format and more capacity roll means one towel per hand dry!

One Pull
DISPENSING SYSTEM

USER SATISFACTION

- Patented cutting mechanism provides quiet, efficient operation with low pull force and reduced tab-outs

HYGIENIC PERFORMANCE

- Battery-free, no touch operation now in wider format for the ultimate in user hygiene—you only touch the paper

UPSCALE IMAGE

- Attractive streamlined exterior
- Stylish transparent smoke and grey colors to match upscale washroom decor

EASY MAINTENANCE

- Quick and easy loading with open access and exposed roll holders
- Easy-clean surfaces
- Reliable operation with few moving parts and no electric motors, batteries, sensors, calibration or special servicing needed

ECONOMY

- Replaceable dispensing module lowers repair costs
- No-rust plastic components
- Stainless steel and high impact resins resist corrosion from sanitizing solutions for long-lasting service

LOWER COST IN USE

- New wide format means rolls last longer between replacements
- Wider paper encourages one sheet per dry, resulting in substantial paper savings
- Allows for loading a new roll before the stub roll runs out
- Self-threading transfer system allows single sheet stub roll dispensing to eliminate waste
- Two-handed pull encourages fewer sheets per hand dry, reducing overall consumption
- Uses economical non-perforated rolls

Our popular no touch dispenser is now available in a wide format for paper-saving efficiency. Accommodates rolls up to 10" for hygienic, single-towel-per-hand-dry use. The ingenious no touch technology features low pull force and a patented, high efficiency cutting technology for the lowest tab-outs in the industry. Satisfies customers and reduces maintenance costs for all Away From Home applications.

HERSHEY'S

THE HERSHEY COMPANY

HERSHEY'S® is a leading North American manufacturer of chocolates, confections, toppings, and baking products. It all started with Milton Hershey, who began producing milk chocolate in 1905 in the town that now shares his name. Though chocolate was once a luxury for the rich, Milton Hershey helped make it more accessible & affordable for everyone, and HERSHEY'S® products are now known the world over. Hershey, Pennsylvania is known as Chocolate Town USA and for good reason--as soon as you offer HERSHEY'S® at your business, customers will recognize a brand that stands for nothing less than quality, freshness, & great taste!
