Round and Square Mini Glasses

Round and Square Tasting Glasses make a distinct display, are sized for portion control. These containers offer a unique opportunity to showcase colorful layers of flavor. From liquor to parfaits and from shrimp cocktails to soup shooters, the versatile tasting glasses are a must-have for small plate service.

These versatile pieces are an elegant enhancement for creative displays of tasting menus, appetizers and condiments as well as at serving stations and dessert bars.

5" Asian Spoon

The Asian Spoon serves as an inspired handled dish with dramatic lines. Ideal for individual portions or as a unique accompaniment for larger plates. It adds a hint of exotic flair when filled with chutney, salsa or other condiments along side an entrée.

2 oz. Martini

The Petites® Martini is a chic and stylish presentation for a range of versatile applications. It is not only perfect for mini cocktails and beverage sampling, but it is also a trendy, creative way to present appetizers, side dishes and desserts.

4.2" Reflections™ Fork and Spoon

The silver sparkle and elegant fluted handle of the Reflections™ Tasting Fork and Spoon adds a touch of sophistication to appetizers, small plates, individual servings and condiments.

4.2" Tasting Fork and Spoon

The Tasting Fork is an elegant alternative to everyday picks and skewers and the size is well-suited for use as a utensil with gourmet tid-bits. The Tasting Spoon is useful for condiments and ideal for smaller portions of mousse, soup, fruit salad and much more!

Capitalize on hot trends without the hassles of renting or owning. Single-use products are ideal for offering new and diverse menus as they provide all the performance and appeal of permanent products without the long-term investment, accidental disposal, breakage, clean-up and transport.

2.5" Square Dish

The stylish mini-Square Dish has endless possibilities. Individually, the dishes can be used for 'small plate' cuisine from appetizers to desserts. Grouped on a square Milan™ plate, a full meal palette can be created. Added to plates and serving trays, they serve as elegant condiment dishes to frame culinary creations.

Small Bowls

The Petites® unique shape makes a distinct display. From appetizers to desserts, the versatile 1.9 oz. Petites® bowls offer endless possibilities; from a creative twist to condiments, dressings, salsas and dips or grouped together for an entire presentation or meal.

For a wealth of tabletop presentations mix and match Petites® with other WNA products. Coordinating products include Caterline® trays, Milän™ plates, Classic Crystal™ tumblers and stemware and Reflections™ single-use silverware.

It Sinks!

With No Break-in... Period.

Once again, ETC has engineered an innovative, time-saving product for the janitorial industry. The time-saving, Torpedo™ wet mop, requires no break-in period before using it to mop. While other mops will actually float on liquids when you take them out of the plastic packaging, ETC's Torpedo™ wet mop will absorb the liquids immediately. No other wet mop can save you the aggravation of trying to pick up liquids on a wet floor like ETC's Torpedo™. You have to try it to believe it.

ENVIRONMENTAL SAVINGS

Your purchase of 50 cases each of North River towel and bath tissue, made using Green-e® certified wind energy, conserves these valuable resources annually*:

20 trees saved

2,400 lbs landfill waste avoided

Energy savings equal the consumption of a 60W light bulb over 15 years

7,500 lbs CO₂ emissions avoided

Reduced water usage by 19,200 gallons

*Compared to virgin fiber products

The Sustainable Choice for Towel & Tissue

With the rapid growth in green product claims, users need to know which ones can be truly verified. North River® 100% recycled towel, tissue, and wiper products are Certified Green™, providing assurance that you are purchasing one of the most environmentally responsible brands available. Moreover, North River is the answer to the growing problem of greenhouse gas emissions and is the first and only brand to offset 100% of the electricity used for its production with Green-e certified renewable wind energy. This helps to reduce our carbon footprint, and yours, for a more sustainable future.

Napkins that Won't Eat into Your Profits

For foodservice and restaurant operators looking to reduce waste and costs, Cascades offers ServOne™, a one-at-a-time interfold napkin dispensing system. ServOne is:

- > **MORE ECONOMICAL:** better controls the quantity of napkins taken by patrons, reducing waste and cost for restaurant owners by up to 25% compared to traditional napkin dispensers.
- > **MORE HYGIENIC:** one-at-a-time dispensing minimizes cross-contamination. You touch only the napkin, not the dispenser.
- > **MORE ENVIRONMENTAL:** Cascades® for ServOne white and Moka® napkins are made of 100% recycled fiber and third-party certified. Their smaller case size offers a reduced environmental footprint and storage savings of up to 50% relative to traditional napkin products.
- > **MORE FUNCTIONAL:** ServOne is available in multiple dispensing options.
